Flowers/Seeds/Replanting

Discussion about buying flowers, seeds and plants. George gave us a quote of \$72.50.
Discussion about the pollinator garden that is located by the upper lot. We would like to re plant that area since the Town of Wappinger Highway Department keeps mowning it down.

Motion by George to approve \$72.50 to replant the pollinator garden and plant at the front entrance of the park, Second by Donna. Motion Passed.

Respectfully Submitted,
Todd Bowen, Secretary
